

# Teachers' Reading Group

Holcombe Brook Primary School and The Literacy Shed, in partnership with the Open University and UKLA, would like to invite you to join our new reading community in Ramsbottom, Lancashire.

**Free professional development for teachers, subject leaders and support staff.**

These informal sessions will support teachers in developing their RfP (Reading for Pleasure) pedagogy, knowledge of children's literature and children as readers, enabling them to build reading communities within and beyond school. We will be fully engaged with the new OU Research Rich Reading Pedagogies website, and will be supporting teachers to share RfP ideas and resources. In addition, you will get the opportunity to share and discuss books with likeminded people.
